Many thanks to John Sheils who is Santa-in-residence for the Fox Hills West neighborhood this year and to Tom Betz for organizing our fun visit! Come out to greet John in the antique fire truck that we rent as well as contribute to those in need. Sheila Moldover volunteers to bring all of our contributions to Manna once they are collected on the 15th (non-perishables please!). Suggestions include: canned fruit in fruit juices, canned vegetables (preferably no-salt), canned fish, plain instant oatmeal, baby food, peanut butter and other nut butters, and whole wheat pasta. It's a special opportunity so **mark** your calendars for **time** and **place**.
